

## EC 8D - EC 8DB

### 1 way ceiling speakers 1.5/3/6/10/15 W - Screw terminal block

EC 8D : white

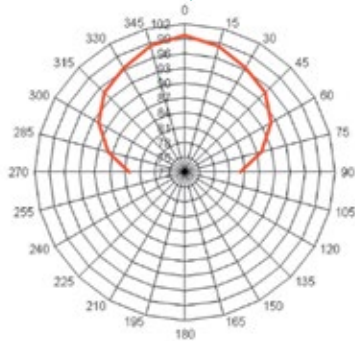

EC 8DB : black

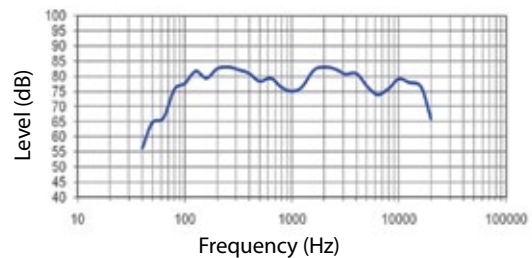

- This elegant ceiling speaker is equipped with an 8" diameter bicone speaker and a high quality 100 V line transformer.
- Its large bandwidth allows to respond to all applications including Hi-Fi broadcast.
- The fixing bracket allows it to be mounted easily on a wall or ceiling 35mm thick. This fixing principle provides the perfect veneer ceiling.
